latest experience**

Support 5000+ APPs

**The built-in Chromecast
supports one-click screen
casting**

 Chromecast
built-in

Put your small screen on your big screen. Quickly cast photos, videos, music, and other content you love from your favorite device right to your TV.

Use your voice to do more on your TV. Press the Google Assistant button and ask Google to search for the latest blockbuster, stream shows or open multiplayer games. Have it dim the lights by connecting smart home devices. Or ask it questions and see the answers right on your TV.
